Bignell, Mrs. William J.

[Soldiers Monument at Hannover medal]

1918

May 25th, 1918.

Mrs. William J. Bignell,
Fairhaven,
Cayuga, N. Y.

Dear Mrs. Bignell:-

On my return from Springfield I found that the acknowledgment for the gift of the medal commemorating the unveiling of the Soldiers Monument at Hannover, which you requested Mrs. Chester to transmit to me, had not been sent. I am enclosing it. We did not have this medal at all, and as you can understand we are doubly glad of your gift for that reason. I appreciate very much your thought of our Society in this connection and am very glad to think of our having this medal which Miss Molt valued so highly for its associations. I want to write you again in a few days.

With cordial wishes both to yourself and Mrs. Perry, I am,

Yours very sincerely,

Secretary.
